WELCOME TO ANOTHER **SIERRA COINS** LIST - our second and final production for calendar year 1983. Recognizing that it will be several months before we prepare another offering, we have decided to make this offering broader and more exciting than average. Since the previous list #13, we have acquired three nice selections of material. While all three lots were essentially desirable to us because of a handful of "auction-quality" material, we must admit that each lot contained other worthwhile material as well. Those inexpensive items are hereby offered at fixed price levels that are intentionally "lower than normal retail". We wish to sell a large percentage of the coins from this list as we simply do not have the manpower to maintain a huge stock. We prefer to "wholesale" most coins and concentrate our energy and attention on exceptional items for our semi-annual auctions. This dual program should satisfy everyone.

OUR FALL AUCTION WILL AGAIN BE A MAIL BID SALE: it will close on November 21, 1983, and catalogues should reach you by November 1. As of this writing, that sale promises to be a worthwhile event in the field of Latin American silver coinage.

DISCOUNTS: All orders for $150 or more will be discounted 10%. It does not matter whether the order is for gold, crowns, minors or a combination. The $150 figure is based on what you order, not the amount we have available.

Secondarily, a 5% discount is available on orders from the minor coin section which total $40 - $149. This should benefit collectors on a budget.

Orders for over 50 different coins and/or $750 are invited to request a larger discount.

CREDIT is available upon request. All such invoices require a 25% down payment and random payments over a maximum term of 6 months. The coins are held as collateral; a 1% monthly handling fee will be added.

TERMS OF SALE: Coins are available on approval to established clients with a good payment record. New customers are asked to pay on invoice or to supply adequate financial references with their order. All coins are guaranteed genuine and as described. We offer a two-week unconditional return period. All payments are due within ten (10) days unless other arrangements have previously been made.

POSTAGE AND INSURANCE: We will pay postage and insurance on all domestic U.S. orders received with payment or by telephone. Other domestic U.S. buyers will be billed for postage and insurance. Overseas buyers will be billed for postage and a $3.30 registration fee, plus 2% for insurance except:

1) On telephone or telegraph orders we will pay the postage and registration but not the 2% insurance;
2) Overseas buyers are welcome to save the 2% insurance fee by insuring the parcel themselves and notifying us in advance.

PHONE ORDERS are acceptable but our hours of operation are currently erratic due to a heavy travel schedule. Our 415-381-3313 line has an answering machine attached to it. Feel free to call at 5-6 PM (5-9 PM on the East Coast) in order to reduce your phone charges. Do remember that you can write for just 20¢.

CONFIRMATION of the availability of items is not possible except with 48 hour notice. All items are held in bank vaults.
